DETAILED ACTION

1. The Applicants' amendment filed September 29, 2006 is acknowledged. Claims 1-22 are deleted. Claims 23, 31, 38-41 and 43 are amended. Claims 44-48 are added. Now, Claims 23-48 are pending.
2. Claim rejection(s) under 35 USC 102 and 103 in the previous Office Action (Paper No. 072206) is/are removed.
3. The text of those sections of Title 35, U.S. code not included in this action can be found in prior Office Action(s).

Claim Rejections - 35 USC § 112

4. Claim 48 is rejected under 35 U.S.C. 112, first paragraph, as containing subject matter which was not described in the specification in such a way as to enable one skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention.

Examiner is not able to find a basis of the claimed **wet scrub value** in the instant claim.

Allowable Subject Matter

5. Claims 23-47 are allowed.

6. The following is an examiner's statement of reasons for allowance:

The present claims are allowable for at least the following reason(s) over the closest references: Kanamori (US 6 335 061) and Street (US WO 02/00785).

Applicants' argument is persuasive. Applicants' Examples and Comparative Examples demonstrate the unexpected result in terms of scratch resistance of the increasing the polar component of the surface energy of the cured siloxane coating to the claimed value. This overcomes the rejections set forth in the previous Office action.

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed

Art Unit: 1712

within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
